Club Participation: The success of the S-Kimos Ski Club depends entirely on the support given to the club by its members. Each member is encouraged to actively participate in club activities, both social and organizational. S-Kimos Executive Board members occasionally need help planning and executing club activities. Please select one or more areas of participation in which you would be interested in providing assistance.

Club Ski Racing Activities: I am interested in participating in Inter-Club Slalom Ski Racing as a member of the S-Kimos Ski Team: Yes No

Ski racing is not a requirement for membership in the S-Kimos ski club, but the S-Kimos have a long history of fielding one of the strongest ski racing teams in the Mount Washington Valley. Racing with the S-Kimos is first and foremost meant to be **fun**, but it requires a commitment to attend at least 2 out of 4 qualifying races. Racers of all skill levels are invited to participate. If you do well in your division you may also be invited to race in the championship race. (The S-Kimos ski club pays the race fees of its racing members.)

Discount Lift Tickets: During October, the S-Kimos Members are permitted to pre-purchase a limited number of discount ski lift tickets through Eastern Inter-Club Ski League (EICSL) for local ski resorts. Tickets will be distributed on a first-come/first served basis. The Discount Ticket Form can usually be found in October on the S-Kimos web site at www.skimos.com or see EICSL's web site, www.eicsl.org.

Internet Access: Email and the web site is becoming our main method of communication. Club information is available on the web site at www.skimos.com. Periodically information may be sent via email, *Newsletter* (Igloo Inquirer), or *Newsgram*. Please indicate if you do not have Internet access and an Email address to receive information electronically.

I do not have Internet access and/or an Email address.

Privacy: By default your contact information will be visible on the Members Only portion of the S-kimos web site; your contact information will be available on the Member Info page. This setting may be changed via the Privacy setting on your My Info page once having logged in.
